**RE: HLANGANANI ENGINEERS AND PROJECT MANAGERS (PTY) LTD REFERENCE LETTER**

Hlanganani Engineers and Project Managers have undertaken various projects on behalf of the City of Tshwane mainly in civil engineering discipline where they fulfilled a role as Project managers, Environmental Consultants, occupational health and safety consultants. The following are a few of the projects that were awarded to Hlanganani Engineers and Project Managers:

- PT 747 – Mamelodi X8 Stormwater System - Project no 710129 - External Project Management Services.
- PT749 – Mahube Valley Stormwater Drainage - Project no 711213 - External Project Management Services.
- PT 801 – Mamelodi X 22 Essential/Unforeseen Stormwater Drainage Problems & sidewalks- Project no 710116 - External Project Management Services.
- PT 777 – Mamelodi X8 Phase 2 Project no 710129 - Project Management - External Project Management Services

I have found the group to be conscientious and professional in their approach. Their adherence to stringent project timelines and budgets is exemplary. We would not hesitate to recommend them for similar work at any time. Hope that this meets with your favour, however do not hesitate to contact us should you require any further information.

Yours faithfully

Z.D GOLELE
